DICTIONARY OF COLOR - MAERZ and PAUL

Integrity is an important word to us.

It pertains to our choice of suppliers and our quest for providing you with the finest fibres available.

We choose our European and Peruvian suppliers very carefully. We value their skill set, craft and dedication to finding the best qualities possible.

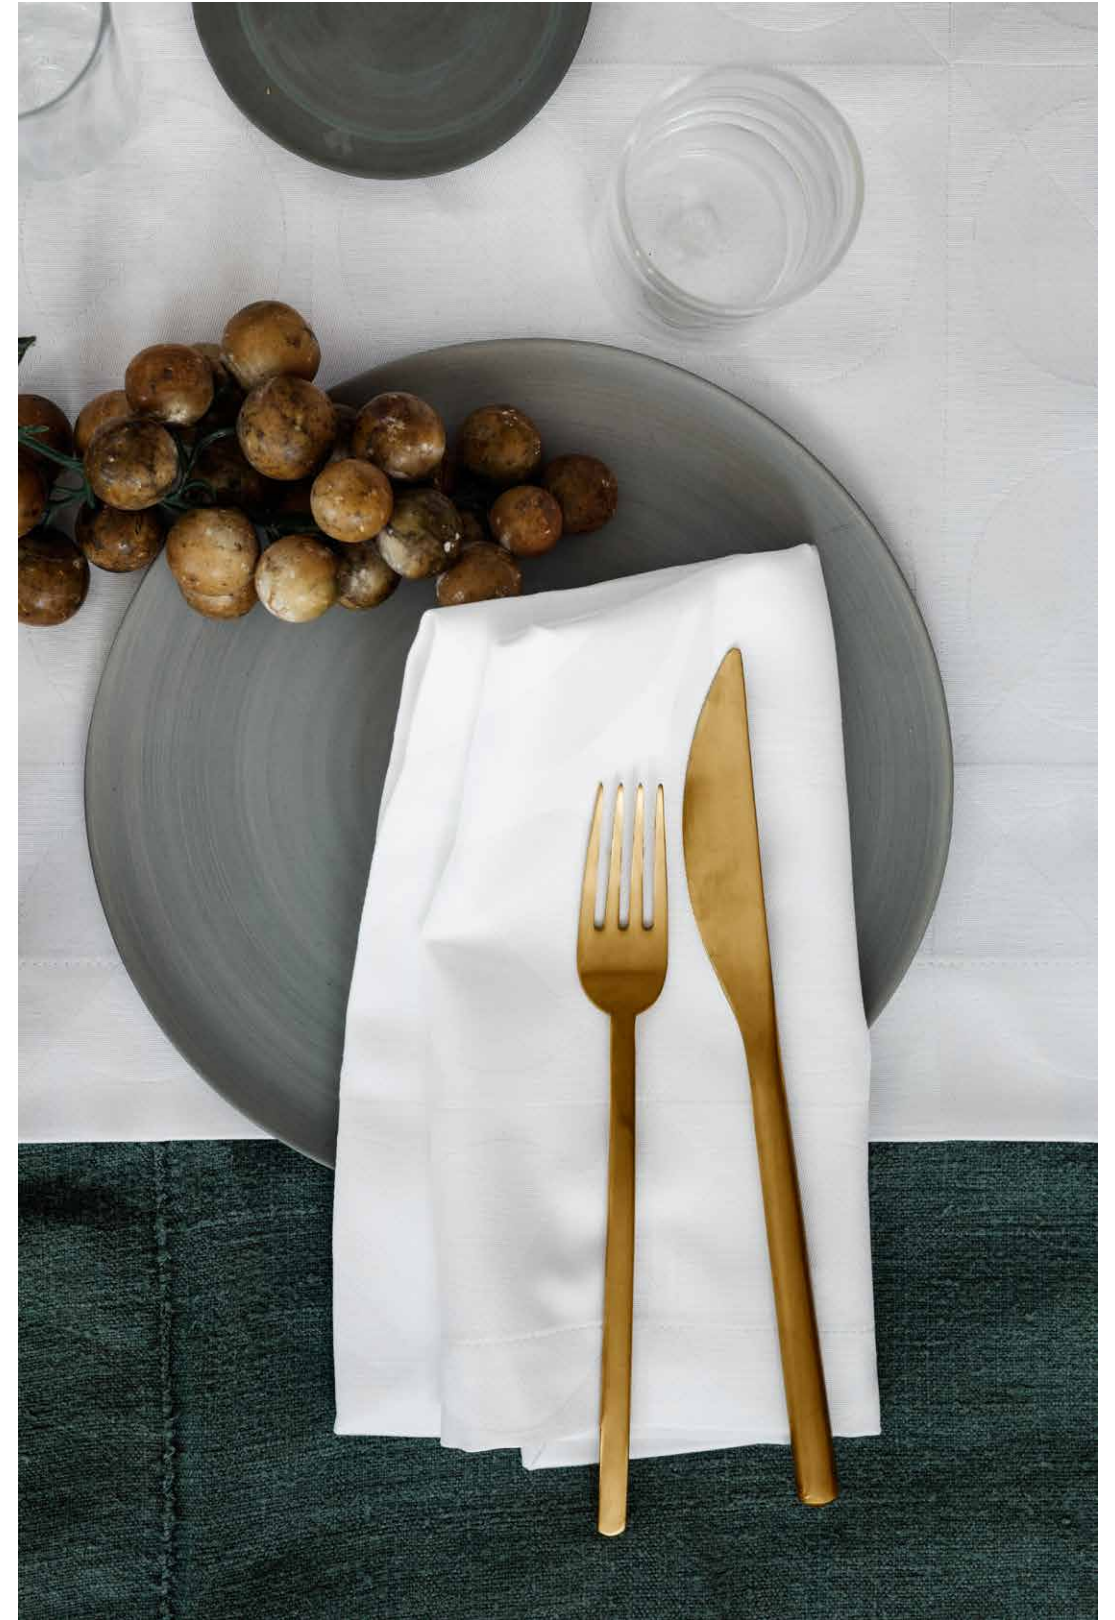

Their knowledge and experience mean everything to us. We believe it creates a better product.

Our suppliers take an active part in improving the conditions around their staff and for the animals and fields that produce the fibres that we use.

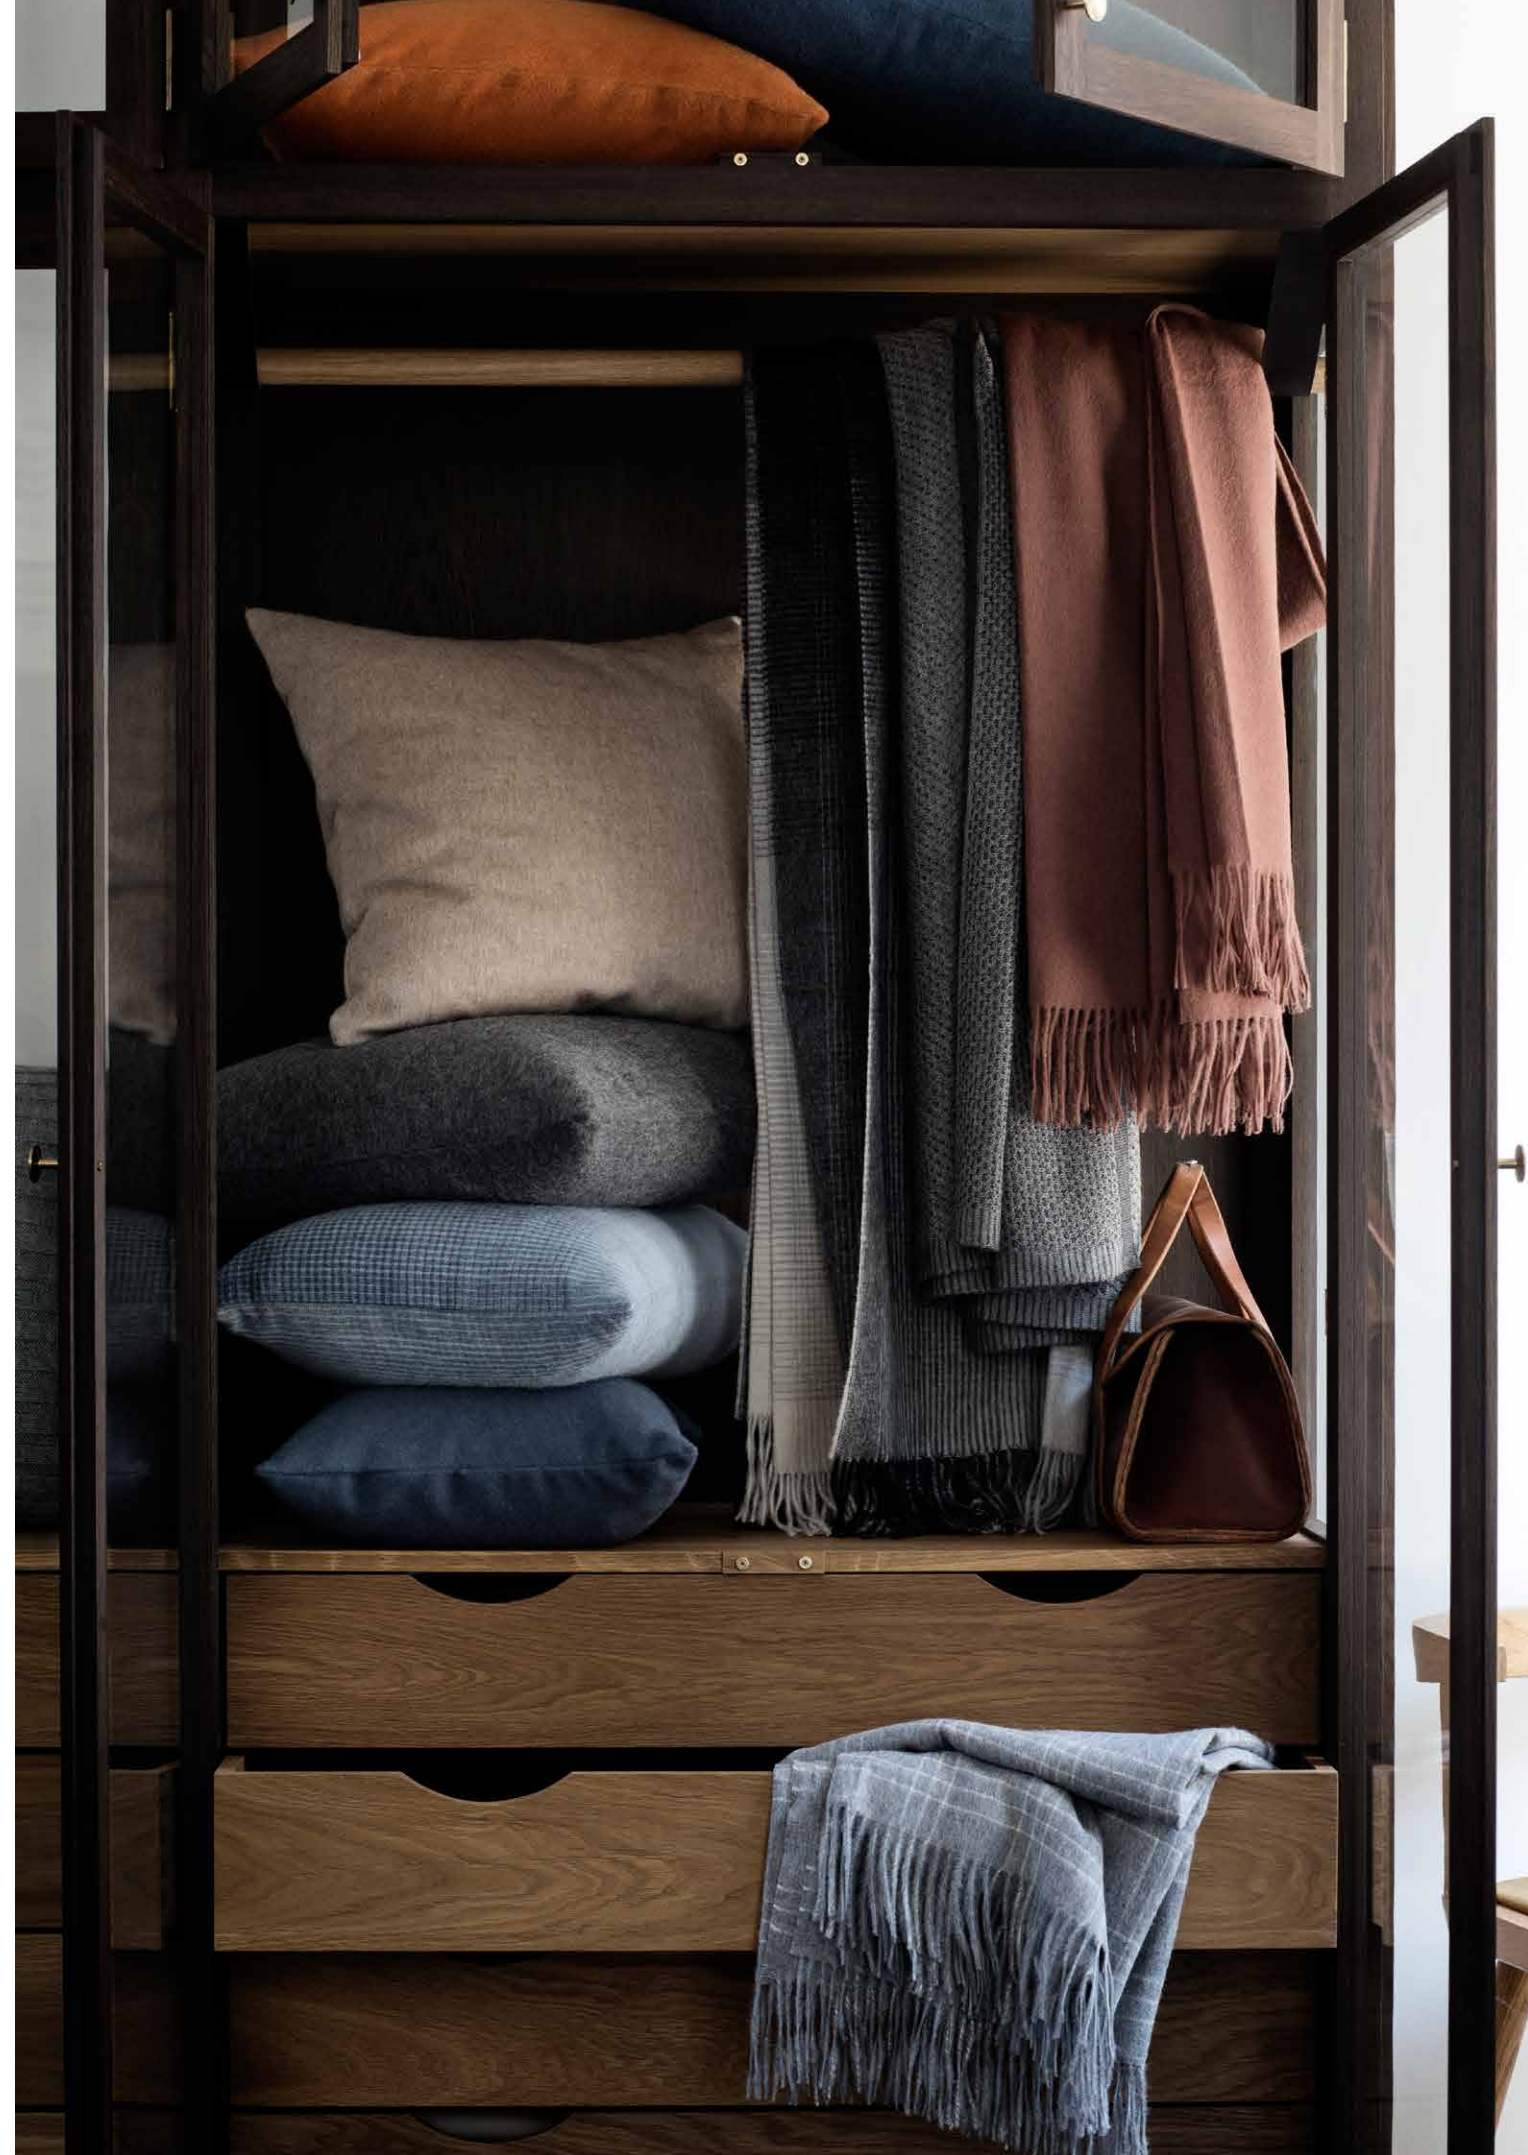

Textiles for your everyday  
and those not so everyday.

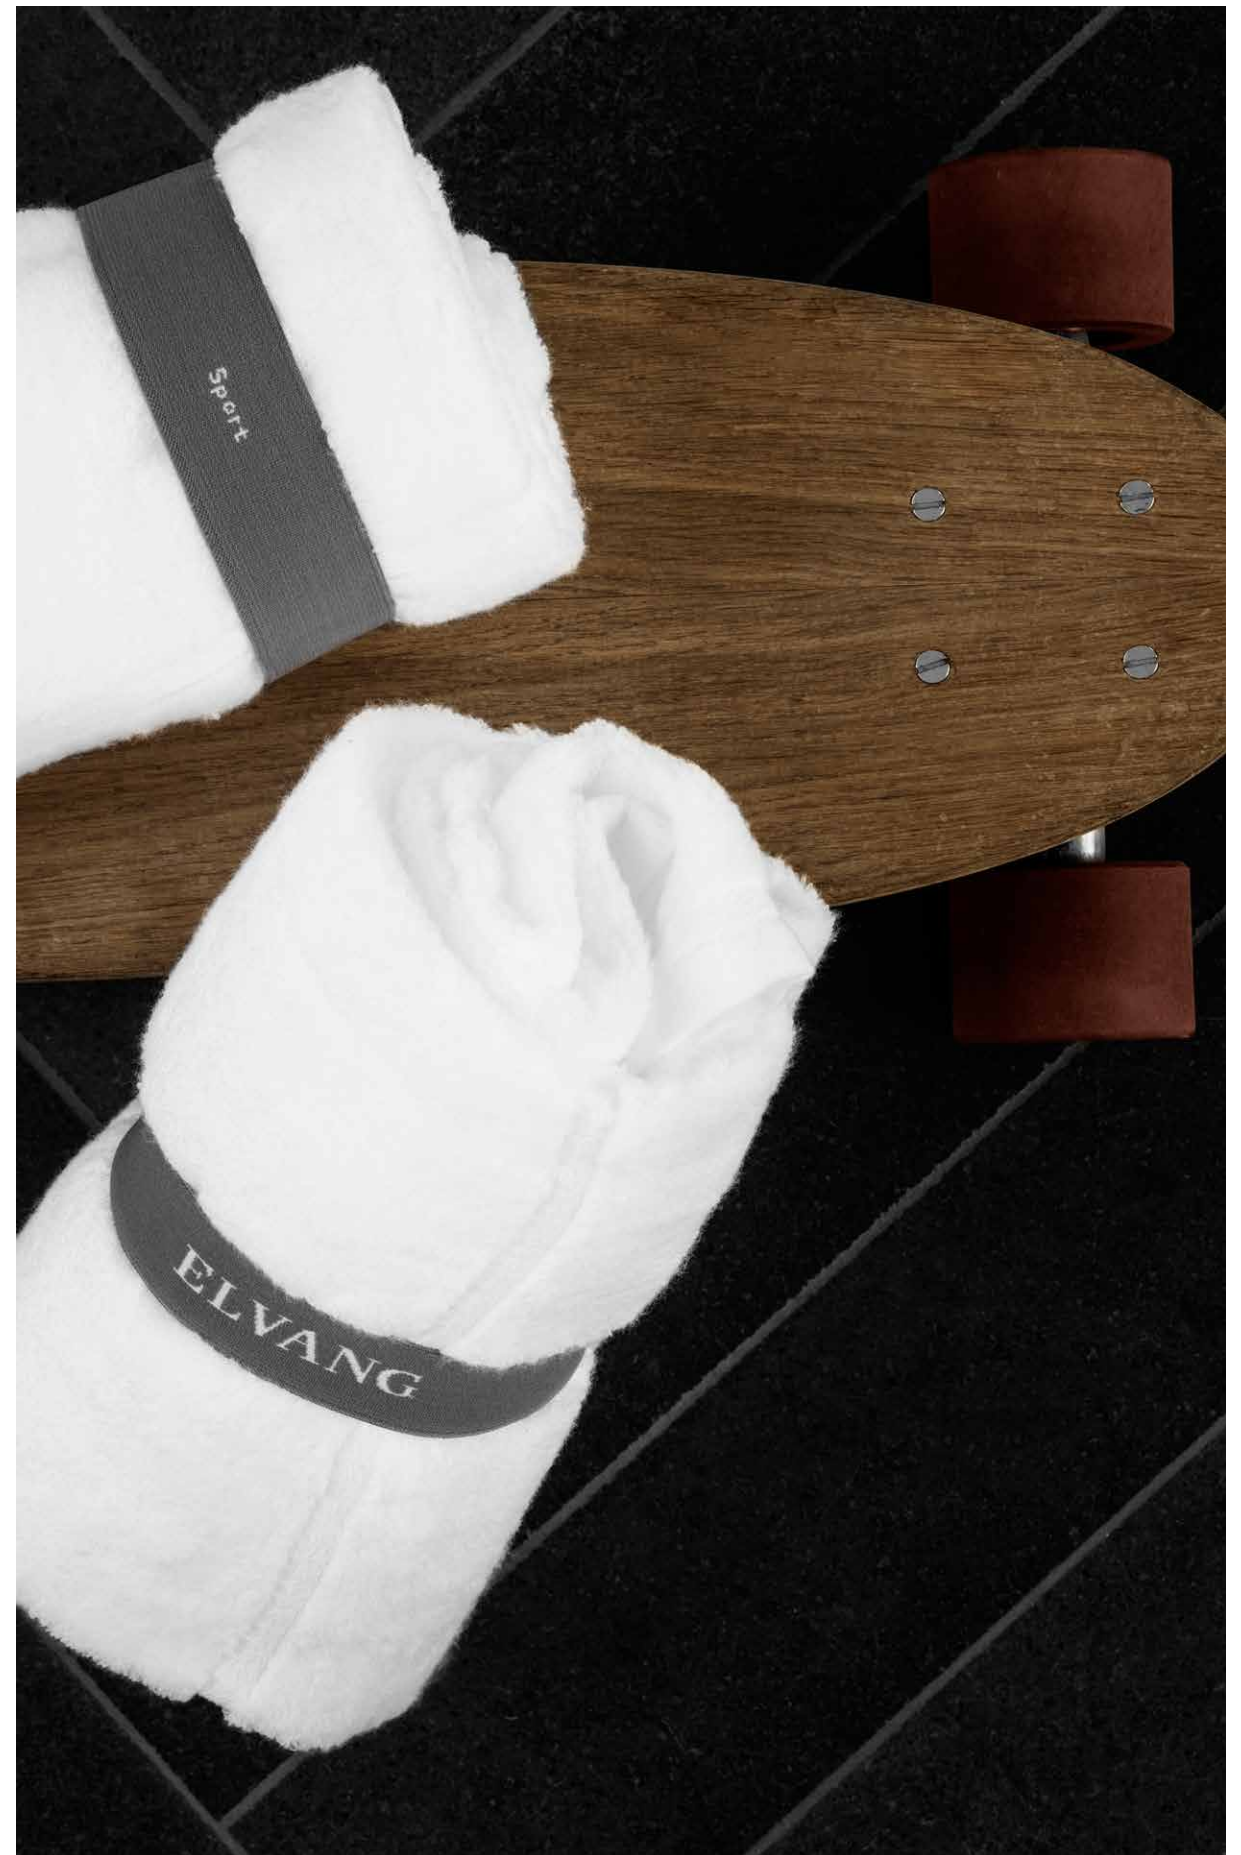

Elvang is certified through the World Fair Trade Organization and a participant in the UN Global Compact Initiative.

These commitments ensure the protection of both people and the surroundings where we produce.

We are always on the lookout for new qualities. Our Air series provides quick drying and maximum absorption despite its light airy weight.
